

POPSICLE STICK CHRISTMAS TREE

Before you start, make sure you have everything needed for the colourful and bright Christmas tree hangers.

Paint the popsicle sticks with Kores Temperas paints. Choose your favourite colours and make as many colour variations as you wish!

Prepare several popsicle sticks combinations: 3 pieces per every set.

Assemble the popsicle sticks into a triangular shape and secure with the Kores Wood Glue.

WHAT YOU NEED

Christmas fun for the whole family:
create your own popsicle stick
Christmas tree ornaments!

- Kores White Glue
- Kores Wood Glue
- Kores Scissors
- Kores Tempera paints
- Card stock paper (yellow and brown)
- Wood popsicle sticks
- Twine roll
- Pom-poms, ribbons, assorted pipe cleaners

5

Let the glue dry before starting to decorate the triangles. Tip: you can add paper clips to the corners while the glue dries.

6

Now you can start decorating! Use small dabs of Kores White PVA Glue to attach your decorations.

7

Be creative and decorate your trees with anything you wish: tiny pom-poms, buttons, sparkly pipe cleaners, jingle bells, etc.

8

Cut short twines for each of the hangers.

Glue the twines to the back of each hanger with Kores White PVA glue.

Cut out the bright stars for the tree tops and brown rectangles for the tree trunks. Prepare a bunch of them.

Attach the stars to the tree tops and rectangles to the tree bottoms with Kores White PVA Glue.

There are unlimited ways to decorate the Christmas trees. Let your imagination fly and have happy holiday crafting with your family!
